EDUCATION

Year	Degree	Institute	CGPA/%
2023–Present	B.Tech CSE	Graphic Era Hill University, Dehradun	8.8/10.0
2023	12th CBSE	Saigrace Academy International School, Dehradun	83.33%

PROJECTS

- **Road Accident Detection and Alert System (DL)** *February 2025*
Guide: Mr.Amit Gupta
 - Built a deep learning accident-detection system using transfer learning (MobileNetV2) for image/video frame classification and alert generation, achieving 83% test accuracy.
 - Created and deployed an interactive Streamlit interface to visualize live camera/upload-based detection results in real time.
 - **Technologies Used:** Python, CNN, OpenCV, Streamlit.
- **Customer Churn Prediction (ML)** *March 2025*
Guide: Mr.Amit Gupta
 - Developed a machine learning model to predict customer churn, using the Bank Customer Churn dataset.
 - Applied data preprocessing, feature engineering, and hyperparameter tuning for optimization and improved model performance.
 - **Technologies Used:** Python, Pandas, NumPy, Scikit-learn, Matplotlib.
- **C Program Optimization Flag Predictor (ML)** *June 2025*
Guide: Ms.Manisha Aeri
 - Built an ML-Based GCC Optimization Recommender that predicts the best GCC flag (-O0/-O1/-O2/-O3) for C programs using static code features.
 - Created an end-to-end pipeline for feature extraction, model training and deployment through a Streamlit app.
 - **Technologies Used:** Python, C, Matplotlib, Scikit-learn, Pandas, Streamlit.

SKILLS

- **Languages:** C, C++, Python, HTML, CSS, Javascript, React, SQL, MongoDB, LangChain
- **Developer Tools:** VS Code, Cursor, GitHub, Jupyter
- **Libraries/Framework:** OpenCV, NumPy, Pandas, Matplotlib, Generative AI, RAG, Agents, Twilio

ACHIEVEMENTS

- Solved 500+ problems on LeetCode with an 70% acceptance rate and maintained a contest rating of ~1500 and participated regularly in contests.
- Selected as a Contributor for GirlScript Summer of Code 2025 (GSSoC '25).
- Led academic group projects for 3 consecutive semesters, managing team coordination, task distribution, and ensuring successful on-time completion.
